

Dear Parents,

30/07/2020

To keep everyone as safe as we possibly can during this Covid 19 pandemic and with the increase of cases from Victoria, the following steps have been put into place:

- No Parents are permitted to enter the facility unless it is a new parent who may have to pay registration fees or fill in a form.
Everyone else, please drop off children inside the gate entry.
- Temperatures will be taken of all gymnasts entering the gym.
- Please make sure your child has been to the toilet at home before coming to the gym.
- All children must wear CLEAN SOCKS to all training sessions.
- During their lesson, all children will be given allocated drink breaks at different times from other classes, please explain this to your child before you come to gym.
- Please make sure your child has a drink bottle with their name clearly marked.
- All children must use the hand sanitiser each time they enter the gym should they have gone to the toilet it will need to be re-applied.
- Children will be walked out to the gate at the end of each class by a coach. Please make sure you are on time to pick up your child. Gymnasts are not permitted to enter the car park unaccompanied by an adult. Parents are asked to exit their car and open the gate for their child.
- Coaches wipe down all the equipment used after their class has finished. This is done prior to the next class using the same equipment.
- Thorough cleaning is being undertaken within the gym, before & after each class as our continued effort to limit risk.
- We ask that all fees be paid directly into our bank account via internet transfer of funds.
